ENCLOSURES NO. 1.

General No. 470 } 187 —7
Rev. No. 75

I have the honor to state, for the information of the Chief Commissioner, that a portion of the old bed of the Virzanadi Channel has been abandoned by the Irrigation Deptt., and is now available for cultivation. In addition to several applications under the usual Durkhast Rules, an offer of Rs 4000 on account of the land in question has been received, and the Irrigation Deptt. is of opinion that this amount will probably be increased in case the land is put to public Auction. Instructions

are solicited whether under these exceptional circumstances the occupancy of the land in question may be sold by Public Auction to the highest bidder, subject at present to the authorised rates of assessment and to revision of these by the Revenue Survey Deptt. without reference to the rules regarding priority of Durkhasts.

Copies of the correspondence on the subject are enclosed.

I have the honor to be,
Sir,
Your most obed. Servant,
Asstt.
Commissioner,
A.D.

Sirs,

As it appears from the enclosure of docket No. 1947/216 dated 6th Instant, from Ex. Engineer, Canning Dt., (Copy submitted) that the question of disposing of the old bed of the Vizianuddy Channel is before you, I have the honor to forward copy of docket No. 1890/215 dated 25th October 1877, and my reply to the Ex. Engineer for orders, and to state further that I have temporarily prohibited the Amildar from giving any of the land alluded to to Dunkhastdars.

Sir,

In reply to your docket No. 389/comp

of

2/

of the 13th Instant, I have the honor to state that I submitted the question of disposing of the old bed of Vizianuddy Channel to you on receiving intimation from the Irrigation Deptt: vide Do. 767 dated 12th idem.

2. The case is an exceptional one and if the bed is sold by Public Auction may complicate the Survey Settlement. If however it be sold to the highest bidder for present right of occupancy with assessment as per prevailing rates of surrounding lands it should be distinctly notified that the purchase money will only give present occupancy but confer no title other than that enjoyed by the ryot or holder of any other Kandayam Sirkar land, and the fact of purchase money paid will receive no consideration at time of Survey Settlement; this should however be clearly ruled before sale or possession is given.

Ex: Engineer, Cd Dn

Extract

Extract from Supg. Engineer's Inspection Journal of Nizjanuddi Channel dated 31st Ultimo.

The Channel beyond this cut has still to be cleared to grade depth and widths, an estimate for which has already been sanctioned after which there will, I believe, be no further obstructions as regards grade, to the full supply of all land that is now cultivated or that may hereafter be taken up. I am informed that the amount of confidence shown by the Natives is very encouraging, many having disposed of their lands elsewhere to secure fresh land under this Channel, and one man having offered no less than Rs 4000 for the old channel bed & bund (available for cultivation owing to the new cut) being at the rate of Rs 200 per acre for 20 acres, I have directed the Sp. Engineer to place himself in communication with the Govt. regarding this offer, which, if accepted, would materially lessen the cost of the work."

Serial No 45

To

Lieutenant Colonel W. Re. Johnson
Supt Engineer of Irrigation

The Secretary to Chief Commissioner
of Mysore General Department

Sir,

With reference to the Chief Commissioners Proceedings No 107/3 dated 8th April 78, stating that the Rs 3,646, realized by the sale of the old bed of Vizianuddy Channel, should be credited to "Land Revenue" in the Civil Budget but that if provision has been made for crediting the amount against the outlay on the works carried out the Chief Commissioner will not object to its transfer to credit of the Irrigation Department, I have the honor to state, for the information of the Chief Commissioner, that the amount has been realized owing to the carrying out of an economic irrigation Project (the cost of which is thereby reduced) and that orders in this Department have already been issued to credit Receipts in the Capital account of the Vizianuddy Channel.
